EVENTS THAT TRANSFORM

# Hybrid and virtual that extends

The need for new ways to meet and engage is bigger than ever—Encore has been seamlessly connecting in-person and virtual audiences with hybrid event production since 2009. As your trusted partner, we offer a full range of solutions and expertise to ensure your event not only continues, but reaches anyone, anywhere.

Every aspect of your hybrid or virtual event, from the creative and strategy, down to the platform, staging and lighting, is customized to your unique needs. Encore is committed to providing you with a gathering that will connect and engage participants in new and imaginative ways.

# Digital solutions

Getting people together in one room is not as easy as it once was. That's why we offer a full range of hybrid and virtual solutions that allow events to be attended from anywhere. Virtual meeting content, on-demand viewing, and a custom microsite can help breathe new life into otherwise stale presentations.

- **Virtual Meeting Platform (Chime Live)**
- **Digital Engagement**
- **Event Data & Reporting**

# Presentation stages

We offer spaces around the world, built to extend the in-person experience with professional quality streaming and recording.

Provide a pathway to effectively communicate your message by utilizing a set that is similar to what they experience with an in-person event.

- **Flexible Locations**
- **Turn-key Technology**
- **Customized Backgrounds**
- **Scenic Enhancements**

- **Video Production**
- **Content Creation**
- **Content Management**
- **Quality Sound**
- **Professional Lighting**
- **Presentation Support**
- **Speaker Coaching**
- **Stage Management**

# Production expertise

As the single source for hybrid and virtual event production, there's nothing we haven't seen, and no dream is out of reach. Our production teams are the best in the industry at turning whiteboard ideas into one-of-a-kind event experiences. So you can imagine bigger than ever before and we can help you set the stage to get there.

# On-site technology

We are where you need us to be. Always on the cusp of what's next and the forefront of innovation, we have an extensive range of hybrid solutions from core audiovisual to specialty equipment, technology installation, and presenter support to engage participants in surprising and inventive ways.

- **Audio/Video**
- **Lighting**
- **Simultaneous Interpretation**
- **Rigging**
- **Power**
- **Internet**
- **Technology Installation**
- **Presenter Support**
