

WELCOME TO THE REACH RESORT

*The Resort's spectacular multi-million dollar renaissance continues,
with the opening of Strip House*

STRIP HOUSE®

Strip House opens at the newly transformed The Reach Resort, inviting guests to experience an indulgent dining experience. The famed Manhattan restaurant redefines the traditional steakhouse experience with a menu that includes prime cuts of beef charred to perfection, accompanied by side dishes of black truffle creamed spinach, goose fat potatoes, and creamed corn with pancetta. The décor, full of dark rich colors and backlit Studio Manasse photographs, is balanced by seductive music and soft lighting, exuding a sense of being at the right place at the right time. The atmosphere and innovative menu excite all the senses. For dessert, experience the decadent 24 Layer Chocolate Cake.
